

**List of successful participation (≥90%) in TR Clonality testing (2017 - 2018)**

Laboratory	Department	Institution	City	Country
Klinisch Laboratorium	Moleculaire Biologie Hematologie	ZNA Antwerpen	Antwerpen	Belgium
Lab Molecular Hematology	Hematology	Universitair ziekenhuis Brussel	Brussel	Belgium
* Lab for Molecular Diagnostics	Lab of Clinical Biology	Ghent University Hospital	Ghent	Belgium
Anatomy Pathology		CHU-Tour de pathologie 1- B23/+1	Liege	Belgium
Laboratory for Molecular Diagnostics		AZ Delta - Ardolab	Roeselare	Belgium
* Laboratory of Molecular Pathology	Department of Pathology	Rigshospitalet, Copenhagen University Hospital	Copenhagen	Denmark
* Molekylærbiologisk laboratorium	Patologi afdelingen, Molekylær Enheden	Herlev Hospital	Herlev	Denmark
Departement de Biopathologie		Centre Leon Berard	Lyon	France
Molecular Hematology	Laboratory of Hematology	Hopital Pitie-Salpetriere	Paris	France
Laboratoire d'Anatomo-Cytopathologie	Biologie moleculaire	Institut Universitaire du Cancer Toulouse - Oncopole	Toulouse Cedex 9	France
Molecular Pathology	Pathology	Charité-Universitätsmedizin Berlin	Berlin	Germany
Modul Molekularpathologie	Universitätsklinikum Schleswig-Holstein	Intitut für Pathologie	Kiel	Germany
Hämatalogie Labor Kiel	Medizinische Klinik II	Universitätsklinikum Schleswig-Holstein, Campus Kiel	Kiel	Germany
Cancer Molecular Diagnostics	Central Pathology Laboratory	St. James's Hospital	Dublin	Ireland
Onco-Ematologia Clinico-Sperimentale	Dipartimento Ricerca Traslationale	IRCCS CRO	Aviano	Italy
Centro Ricerca Tettamanti	Fondazione Tettamanti	Pediatric Dept. University Milan Bicocca	Monza	Italy
* Immunologia Diagnostica Molecolare Oncologica	Immunologia Diagnostica Molecolare Oncologica	Istituto Oncologico Veneto - IOV - IRCCS	Padova	Italy
Laboratori di Patologia Molecolare e Citogenetica Molecolare	Ao Citta' della Salute e della Scienza di Torino	Anatomia Patologica	Torino	Italy
Patologia Molecolare	Anatomia Patologica	ULSS2 Marca Trevigiana	Treviso	Italy
Immunocytology		Sanquin Diagnostic Services	Amsterdam	Netherlands, The
Moleculaire Pathologie	Pathologie	VU medisch centrum	Amsterdam	Netherlands, The
Pathologie	Moleculaire Diagnostiek Hematopathologie	AMC	Amsterdam	Netherlands, The
Molecular Diagnostic Laboratory	Pathology	University Medical Center Groningen	Groningen	Netherlands, The
Pathologie-DNA		Pathologie-DNA	Nieuwegein	Netherlands, The
Laboratory of tumor genetics	Pathology	Radboud university medical Center	Nijmegen	Netherlands, The
Laboratory for Medical Immunology (LMI)	Immunology	Erasmus MC	Rotterdam	Netherlands, The
* pathologie	pathologie	Isala klinieken	Zwolle	Netherlands, The
Molecular Pathology, The Norwegian Radiumhospital	Pathology	Oslo University Hospital	Oslo	Norway
Molecular Pathology Lab	Clinical Pathology	University Hospital of Northern Norway	Tromsø	Norway
Laboratory of Hemato-Oncology		Portuguese Institute of Oncology of Lisbon	Lisbon	Portugal
* Laboratory of molecular immunology		Dmitry Rogachev National Research Center of Pediatric Hematology, Oncology and Immunology	Moscow	Russia
* Drs Gritzman & Thatcher Inc Labs	Molecular Diagnostics	Drs Gritzman & Thatcher	Randburg	South-Africa
* Master Diagnóstica	Molecular Diagnostics	Master Diagnóstica	Granada	Spain
Molecular Pathology	Pathology	Fundacion Jimenez Diaz	Madrid	Spain
Laboratorio Biología Molecular/HLA	Haematology	Hospital Universitario de Salamanca	Salamanca	Spain
Molecular Pathology	Pathology Department	Hospital Universitario Marques De Valdecilla	Santander	Spain
* Laboratorio de Patología Molecular y Dianas Terapeuticas	Servicio de Anatomía Patológica	Hospital Universitario Virgen del Rocío	Seville	Spain
Klinisk kemi	Genanalysis	Sahlgrenska universitetssjukhuset	Göteborg	Sweden
* University hospital in Örebro	Laboratory medicine	Pathology	Örebro	Sweden
Klinisk Patologi	Molekylärpatologi	Akademiska sjukhuset	Uppsala	Sweden
Laboratory of Molecular Pathology	University Institute of Pathology	Centre Hospitalier Universitaire Vaudois	Lausanne	Switzerland
Cytogenetics	Medical Genetics	NHS Grampian	Aberdeen	United kingdom
Molecular Haematology	Department of Haematology	Belfast City Hospital	Belfast	United kingdom
Molecular Malignancy Laboratory		Addenbrooke's Hospital, Cambridge University Hospitals NHS Foundation Trust	Cambridge	United kingdom
Molecular Diagnostics Leukaemia and Lymphoma	Haematology	Cardiff and Vale University Health Board	Cardiff	United kingdom
* Human Genetics		Ninewells Hospital and Medical School	Dundee	United kingdom
* Laboratory Genetics (Level 2B)	Molecular Diagnostics	Queen Elizabeth University Hospital	Glasgow	United kingdom
HMDS		Leeds Institute of Oncology	Leeds	United kingdom
Molecular Diagnostics And Immunophenotyping	Histopathology	Nottingham University Hospitals NHS Trust	Nottingham	United kingdom
Molecular Pathology		Southampton University Hospitals NHS Trust	Southampton	United kingdom
Molecular Diagnostics	Centre for Molecular Pathology	The Royal Marsden NHS Foundation Trust	Sutton	United kingdom

\* no participation in 2017, 2018 TR clonality testing (5 cases). Limit: ≥80%
